**How long should I hold it and can I take money out early?**

CFDs are intended for short-term trading, in some cases intraday, and are generally not suitable for long-term investments. There is no recommended holding period, no cancellation period and therefore no cancellation fees. You can open and close a CFD trade at any time during market hours.

**How can I complain?**

**Other relevant information**

If there is a time lag between the time you place your order and the moment it is executed, your order may not be executed at the price you expected. Ensure your internet signal strength is sufficient before trading. The Legal Documents section of our website contains important information regarding your account. You should ensure that you are familiar with all the terms and policies that apply to your account. The Product Overview on our platform contains additional information on trading a CFD on First Trust S&P REIT Index Fund. Additional information on costs can be found on our website.
